

THE JONES MOTOR GROUP

What do the owner-operators of Jones Motor and Hot Shot Express have to say about working with the Jones Motor Group?

Overdrive's 2004 Trucker of the Year, Mike Curle has been leased to Jones Motor since 1999. "I make good money at Jones. There's very little dead-head or waiting." Mike also appreciates the family atmosphere. "When you walk into the General Office, everybody knows you. Owner, James Koegel is the nicest man you want to meet. Owners of other trucking companies often won't give you the time of day. But at Jones everyone will go out of their way to help you."

Mike Curle, Arkansas

Member of Jones Motor Advisory Council

"The Jones Motor Group has let me run my truck the way I see fit. I make all the decisions by dealing directly with the agents that book the loads. The agents work real hard to keep me running and happy. It's all about what **you** want, what more is there?"

Craig A. Houston, Indiana

Houston Express, Inc.

Leased to Jones Motor since April, 2004

"I have been with Hot Shot Express over 15 years and have really enjoyed it because they treat you like family. The people there try to help. We have never had a problem with our pay and there is no forced dispatch. What more could you ask for?"

Jimmie E. Cole, Alabama

Hot Shot's 2003 Driver of the Year

Member of Hot Shot Ambassadors Club

"I started with Hot Shot Express four years ago then switched to Jones Motor when I got a bigger truck. I am doing great and I can't think of a better company to work for. I load whenever I want and the money is always there."

Robert Nigh, Arizona

Started with Hot Shot October, 2000

Moved to Jones Motor February, 2001

“Whenever I am asked how I like driving for Jones I simply answer, Jones is one of the best companies I’ve ever been with, if not THE best. I emphasize that you talk one-on-one with the agents and there are agents all over the country – not just in one area. My wife and I really like the program Jones set up so that we can get settlement information by phone or from the website. The company is willing to listen to ideas and make things better for the owner-operators.

Gerald Green, Illinois

Green Acre Trucking, Inc.

Leased to Jones since January, 2002

Jones Motor’s 2002 Driver of the Year

Member of Jones Motor Advisory Council

“I have been with the Tracer Division of Hot Shot Express for a year and a half now and it’s great to be treated like a person, not a number. I am able to work whenever I choose to and the money is always there next week.

Dwight Hunsberger, Pennsylvania

Leased to Tracer Div. February, 2003

“Since my wife and I are on the road most of the time, we consider the Jones Motor Group like family. With them, we have a name. We enjoy the company and can’t think of working for anyone else.”

R. C. Guinn, II, Pennsylvania

Leased to Hot Shot Express since June, 1999

Runner-up Hot Shot Driver of the Year, 2003

“I just bought four brand new Bridgestone tires that cost \$339 a piece. I called Jones Winners’ Circle and I paid only \$210.02. That’s a savings of almost \$129.00 per tire. Then the company will take it out of your settlements over four weeks and there is no interest charged. That really helps out.”

Edward (Popeye) Merrifield, Jr., Florida

Leased to Hot Shot Express since November, 1991

Hot Shot Driver of the Year 2002

Member of the Hot Shot Ambassadors Club

If you want to speak directly to one of our owner-operators, just ask your Field Recruiter or anyone in the Recruiting Department and we will put you in touch with someone who knows our company from your perspective.
